Judy Pletcher of the Rockwood Mill Shoppes and Opera House has graciously donated her GAP Signage Program to Somerset County. It will be administered by the Somerset County Parks and Recreation Board.

This is a wonderful opportunity to promote your business to the thousands of cyclists who use The GAP each year. Signage will be at Deal, Garrett, Rockwood, Markleton, Harnedsville and Confluence, as in the past.

Individual business signs will remain at 18 by 18 inches. You may purchase a sign for your business at a cost of \$90.00. The rental fee for each location will also remain at \$70.00 per sign per location. If you would like to participate, please complete the attached form.

All profits from this program go to the maintenance of the GAP in Somerset County. Please make checks payable to **Somerset County Parks and Trails Fund** and mailed to:
