Oakhurst Grille & Event Center

Join us as we host Somerset County Commissioners Gerald Walker, Colleen Dawson and Pamela Tokar-Ickes for the 2021 State of the County Update. As Somerset County's leaders, they oversee a \$55 million budget that spans county functions that include criminal justice, human services, public safety, public works and libraries.

The past year and a half has been a traumatic time in our history, however Somerset County experienced a housing boom and became a destination for many new visitors and new homeowners, spurring new business growth around the county. Plus, major projects are nearing completion, such as Somerset Lake, renewed efforts in completing 219, and improving broadband. Workforce Education has taken on a larger role as the biggest issue facing our employers is staffing. Get an update on the major efforts in retaining and attracting new employees through the Chamber's Success in Somerset Workforce Education Initiative. We urge everyone to attend to hear about all that's happening in Somerset County!

Sponsorships are always encouraged so that we can continue to provide these important update sessions.
