## SHRM LEARNING SYSTEM COURSE

SHRM has established the new certification standard for the HR profession. Earning your SHRM-Certified Professional (SHRM-CP™) or SHRM-Senior Certified Professional (SHRM-SCP™) credential establishes you as a recognized expert in the HR field. This course consists of 36 hours of classroom instruction, including a review prior to the new certification exam. In addition to the classroom experience, you will receive SHRM Learning System materials and access to online learning, legislative updates, and practice tests.

These credentials can set you apart as a leader in Human Resources and recognize you as an expert in the field.
