MEGASHOW

Home, Garden, & Business Expo

The Megashow Home, Garden, & Business Expo, hosted by the Somerset County Builders Association (SCBA) and the Somerset County Chamber of Commerce, returns March 23-24 to the Summit Plaza on North Center Avenue, Somerset.

The Megashow grows each year in popularity and now draws more than 2,000 attendees who shop from and visit a variety of businesses, vendors and organizations. Last year vendor spaces sold out more than a month in advance; in order to accommodate the growing vendor list the floor plan has been redesigned to showcase more vendors. Now in its eighth year, the expo always features something for everyone including, home improvement ideas, product demonstrations, children's activities, a food court, prize drawings and more.

Admission to the show, open 10 a.m. to 8 p.m. Saturday, March 23 and noon to 5 p.m. on Sunday, March 24, is \$3 per person. Children 12 and under are free.

Exhibitor registration information will be available on the SCBA and Chamber websites. Megashow sponsorships are available, including businesses not planning to be exhibitors.

Contact Karl Glessner at somersetcountymegashow@gmail.com for exhibitor information. For other details on the Megashow, visit the Megashow event page on Facebook, or contact the Chamber at 814.445.6431, info@somersetcountychamber.com.

Megashow Preview

See the Megashow before the doors open to the general public during the Megashow Preview from 5 to 7 p.m. March 22. Bring your friends, staff, and clients to see the show while enjoying new networking opportunities, great food, prize drawings, and more.

As an added bonus, the culinary students from the Somerset County Technology Center will be preparing the night's hors d'oeuvres. To say thank you, a portion of the entrance fee will benefit the SCTC culinary program.

Admission to the Megashow Preview is \$5 per person if the reservation is made in advance of March 21, \$10 per person at the door. Admission cost includes entrance to the show and refreshments. Sponsorships are available and gives you the opportunity to showcase your business with signage, pre and post event marketing, and 10 admission tickets to this spectacular preview.

Contact the Chamber at 814.445.6431 or info@somersetcountychamber.com to RSVP.

Why Everyone Should Attend the 2019 Megashow

By Ron Aldom

Executive Director,

Somerset County Chamber of Commerce

Everyone should attend because that's what we do in Somerset County. We support our family, neighbors, classmates and friends. This county is built on tradition, hard work, family values and the mindset to get things done right. What better way to support these values then by supporting our local businesses.

Ron Aldom

These are the businesses that employ hundreds or even thousands of local residents and offer quality services and products; most for many years. They support our youth, churches, non-profits and add valuable economic impact to our county and region. They are the backbone of our county.

The 2019 Mega Show is a perfect setting to explore the services and products supplied by local businesses, while meeting the people who make it all happen. The show provides a great opportunity to discuss projects with the actual contractor/builder or discuss a professional service with the person who has the answers or maybe just browse the aisles and discover all that we have available to us in Somerset County.

Look at your \$3 admission (\$1 off coupons will be available) as an investment in your own personal well-being and know that your support is truly appreciated by all of the businesses and organizations at the 2019 Mega Show.

The Somerset County Chamber and Somerset County Builders Association are proud and honored to bring this wonderful expo to all of you. We hope to see you there!

Member News

Nursing Program: Clarion University has a five-year agreement with Somerset County to lease space at the Somerset County Education Center to bring back a nursing program to the county. Renovation bids will go out, so the space can include a state-of-the-art clinical laboratory with a full simulation room, a nursing lab, and a skills lab.

2019 Daily American Classic: The 10K/5K run and walk is set for June 8 and will benefit the Somerset County Foundation for Higher Education, Easterseals of Western & Central Pennsylvania, and the Somerset County Mobile Food Bank.

Joyce Murtha Breast Care Center receives donations: The breast care center received donations of more than \$10,000 to fund Pink Ribbon Care, a program that helps patients who are unable to pay for breast-related health services. Representatives from Barnes Saly & Co. presented a \$6,600 check from their Bingo for a Cause fundraiser, the Forest Hills football team presented a \$2,000 check, Ferndale cheerleaders gave \$1,000, \$475 from the University of Pittsburgh at Johnstown's staff association council, and \$352 from students at the Hiram G. Visitors Bureau Hosts Annual Backyard Tour Focused on Somerset County

"What is there to do around here?" Sound familiar? If you have front line staff who interact with visitors and even locals, you probably hear this from time-to-time. Want to arm your staff with first-hand, accurate knowledge to better serve your guests and visitors? Keep reading, my friend.

Staff training can come in many forms. But, hands down, one of the best and most effective ways to immerse your front-line tourism employees into the Laurel Highlands region is by boarding a motorcoach and joining the Laurel Highlands Visitors Bureau for our annual Backyard Tour.

Join the LHVB on April 18, for a day-long mystery adventure in the Laurel Highlands. Past participants know that we keep the day's scheduled stops

and activities top secret. But I can give you one teeny hint – we're celebrating Somerset County this year!

Not only is this event a fantastic way to explore the Laurel Highlands, but it is also an excellent networking opportunity. In the past, we have seen incredible partnerships developed as a result of the Backyard Tour. We are confident we will see more of the same from this year's group.

If the LHVB's Backyard Tour sounds like a must-do for you or your staff members, please contact Rachel Roehrig at rroehrig@laurelhighlands.org or 724.238.5661, ext. 101, for more information or to RSVP. We hope to see you aboard!

Thank You!

A sincere thank you to all the businesses and organizations that have paid their membership dues and rejoined the Chamber for 2019. Your support of the Chamber is both an investment in your business and the community which allows the Chamber to keep working for you and your interests. Visit the Chamber website to see a full list of members who have renewed their membership for 2019.

AmeriCorps Positions Open

AmeriCorps places thousands of people into intensive service positions where they learn valuable skills, earn money for education, and develop a strong sense of civic responsibility. AmeriCorps positions provide a bi-weekly stipend, a wealth of experience, and a chance to earn an education stipend to help pay back student loans or go on for credits. There are immediate openings for Tutors/Mentors and environmental positions. Check out www.pmsc.org or call Jill Latuch at 814.341.4726 for additional information.

New Programs at Pennsylvania Highlands Community College

The Pennsylvania Highlands Community College Board of Trustees recently approved four new programs: Engineering Technology, Sustainable Hydroponic Agriculture and Rural Entrepreneurship, Substance Abuse and Addiction Technician, and Paralegal Studies.

“These new programs are designed to meet the needs of the region,” stated Dr. Barbara Zaborowski, Interim Vice President of Academic Affairs. “They give students access to exciting new hands-on learning opportunities and provide paths to in-demand careers.”

Engineering Technology (A.A.S.) is an associate degree that offers two tracks: Architectural and Civil. Students will work with Computer Aided Drafting (CAD) and Computer Aided Drafting & Design (CADD) software to facilitate the design and drafting of buildings and building components. This program offers opportunities to work with professional architects and engineers in the design, drafting, and layout of buildings, roads, and utilities.

Sustainable Hydroponic Agriculture and Rural Entrepreneurship is a two semester (one year) certificate that prepares individuals for work in the sustainable agricultural industry, including traditional agribusiness and the emerging field of controlled environment agriculture. In partnership with Sandyvale Memorial Park, this program will be able to offer both theory and practical hands-on application in a greenhouse using actual hydroponic equipment.

Substance Abuse and Addiction Technician is an 18-credit certificate that enables graduates to work in an entry-level position in the varied field of addiction treatment. Students will be introduced to the effects that substance abuse and chemical dependency have on society; and gain an understanding of what addiction is, the different drugs that are used, how to work with those who have physical and psychological addictions, the various types of treatment, and counseling approaches.

Paralegal Studies (A.A.S.) is an associate degree that teaches the philosophy and methodology of legal practice so graduates can understand the principles of law and policy that affect government, business, and nonprofit organizations. Graduates may pursue careers as legal assistants and paralegals. Unlike the three other new programs that begin in Fall 2019, Paralegal Studies is set to begin in Fall 2020.

These programs are just a few of the many programs offered across seven academic pathways. Each pathway is clearly defined, helping individuals easily find what they are looking for. To view all pathways, visit www.pennhighlands.edu/programs/.

Pennsylvania Highlands has six locations throughout the Southern Alleghenies region that serve residents of western Pennsylvania. Pennsylvania Highlands Community College is accredited by the Middle States Commission on Higher Education.

Open House at ACM

By Kristin Kehrwald

What can you do with four hours? Fly to Vegas, binge-watch YouTube videos or maybe determine your future career at Allegany College of Maryland's spring Open House.

ACM invites prospective students and their families to attend its fast-paced, hands-on Open House on Saturday, April 13, 2019, from 9:00 a.m. to 1:00 p.m. at its Cumberland campus.

Event pre-registration, which is strongly encouraged, is available at allegany.edu/ohregister.

The Open House kicks off in the College gymnasium. In only four short hours, prospective students and their families will have the chance to meet with ACM faculty and staff to explore career options, discuss academic programs and transfer partnerships, tour the campus, and learn the ins and outs of the financial aid and scholarship process.

Eligible attendees will have the chance to scratch off to win one of six five-hundred dollar tuition vouchers to be used at ACM's Cumberland campus.

This year's Open House will feature optional tours of ACM's School of Hospitality Management and Culinary Arts and Willowbrook Woods, the College's garden-style student housing complex featuring suite apartments.

Additionally, the College will offer 8:00 a.m. Placement Assessment (Accuplacer) appointments prior to the Open House. Registration for the Accuplacer is required; prospective students are asked to 301-784-5551 to reserve their spot and/or find out if they may be waived from taking the assessment.

The campus is located at 12401 Willowbrook Road SE in Cumberland, Md. 21502. For more information, visit allegany.edu/openhouse or call 301-784-5005.

COLLEGE FAIR

The Somerset County Chamber of Commerce will hold its 34th annual college and technical fair on April 13th from 9 a.m. to noon at the 28th Police Company National Guard Armory in Friedens.

This college fair is a unique opportunity for students and their parents to meet college admission personnel face-to-face and begin the process of showing colleges an interest in attending.

Representatives from a variety of colleges, trade schools, technical institutions, business schools, nursing programs, and the military will be available to discuss opportunities for students. College representatives will be able to answer questions about admissions, courses of study, degree programs, college life, and financial aid.

In order for students and families to gain the most out of this free event

it's encouraged to research colleges or technical schools that are of interest, make notes of questions or discussion items to speak with a representative about, and put together a small information packet about yourself (GPA, test scores, honors classes, activities, and volunteer work).

The fair will again include an employer career panel featuring representatives from a variety of vocations ready to answer questions about their jobs, training, opportunities, and other related topics. Students speaking with these experts from different occupations can benefit by making more informed decisions regarding the career pathway they choose.

A full list of participating schools and organizations will be available on the Chamber's website closer to the College & Technical Fair.

Relay for Life

Relay For Life season begins! The American Cancer Society's Relay for Life events in Somerset and Meyersdale are both gearing up for the 2019 season with a new SATURDAY format! Event organizers are excited about the new format because it will allow for more activities, entertainment and family fun, while still including the many components the event is known for such as the survivor lap and luminaria service. Relay for Life is the Society's signature fund raising event. Sign up is always FREE! For more info on how your business or organization can start a team, contact jen.barron@cancer.org or 814-442-9582.

Community Foundation Seeks Youth Philanthropy Interns

The Community Foundation for the Alleghenies encourages current high school seniors from Bedford, Cambria, Somerset, and Indiana counties (with a passion for community involvement, public relations, and current events) to apply for the 2019 Youth Philanthropy Internship.

Throughout this paid internship, participants will use their skill sets to identify and support solutions for areas of concern within our community, while bringing a youthful perspective to the Foundation's grantmaking.

The 2019 YPI is scheduled to run from June 24 to August 9 in downtown Johnstown. Former interns are quick to point out that this is "far from a typical internship." Over the course of the summer, interns will work in

teams to create and implement a youth philanthropy project, which will culminate in awarding grants to local agencies that serve the region. In order to develop the project, the interns will research a variety of issues facing local neighborhoods, identify service priorities, build funding guidelines, solicit request for proposals, and ultimately award funding. Interns will not only learn the basics of grantmaking but also create media advocacy pieces, volunteer for community organizations, and earn money — all while gaining greater knowledge about our region.

The internship is funded by a grant from The Heinz Endowments, and mirrors the Endowments' highly successful Summer Youth Philanthropy Internship. The Heinz Endowments supports multiple efforts to

make western Pennsylvania a great place to live and work, a center for learning and educational excellence, and a region that embraces diversity and inclusion.

Applications are available online only at www.cfalleghenies.org and are due March 8, 2019. Applications will be reviewed by a committee and a select number of candidates will be asked to visit the Foundation for an interview. Eight candidates will ultimately be selected for the internship.

The Switzerland experience

Cynthia Watters of Epic Journeys LLC, Johnstown, invites area residents on a nine-day tour of Switzerland June 8-16.

On this tour, see “the best of Switzerland” with visits to Zurich, St. Moritz, Zermatt, Lake Geneva, Berne and Lucerne. The tour also includes forays into Liechtenstein and Italy with stops at Vaduz, Lake Como and Lugano, among others.

Travelers will see and experience true Alpine splendor, from the region’s deep lakes and picturesque valleys to its quaint villages and well-known peaks, like the Matterhorn.

The tour includes breakfast each day as well as a welcome dinner in Zurich and a farewell dinner in Lucerne. A full itinerary is available at www.epicjourneystours.com. The cost of this trip is \$2,689 per person (double occupancy), plus airfare.

For more information on this or other trips, visit www.epicjourneystours.com or call (814) 266-5070.

Swiss experience: The charming town of Zermatt sits beneath the Matterhorn and is an overnight stop on Epic Journeys’ Best of Switzerland tour.

AK Steel Grant

The AK Steel Foundation awarded The Somerset County Foundation a Community Grant in the amount of \$2,500. This grant will help with funding to continue the efforts and success of the workforce educational programs within the county’s 11 school districts. The school programs include panel discussions with local business leaders, industry tours of high demand occupations, a college and technical fair, and a version of “What’s My Line” where people from different industries go into the school and students must guess the profession.

Business Program is a Great Opportunity for Local Students

Pennsylvania Free Enterprise Week (PFEW) immerses rising high school juniors and seniors in the world of business, allowing them to experience firsthand what you face each day. Offered by the Foundation for Free Enterprise Education, PFEW was founded specifically to teach students about the American private enterprise system and provide tools to help students become the great employees and employers of the future. PFEW annually holds five week-long sessions in July and August on the campuses of Lycoming College and the Pennsylvania College of Technology in Williamsport, PA, serving nearly 2,200 students and 250 volunteers each year.

At PFEW, participants are grouped into

management teams of junior executives who have been hired to turn around underperforming manufacturing companies. These teams, mentored by adult volunteers called Company Advisors, operate their firms for a computer simulated three-years, competing against other student companies. They formulate production and financial strategies, develop income statements and balance sheets, prepare marketing and advertising campaigns, all the while reacting to a variety of external factors. Sound familiar?

The Chamber proudly supports PFEW and encourages our local companies and civic organizations to provide sponsorship for our students and, if possible, volunteers for the

sessions. Every student attends PFEW on a fully tax-deductible \$625 scholarship (the actual value of the scholarship exceeds \$1,500) which is provided by a local firm, foundation, civic organization, or individual. The Foundation for Free Enterprise Education have expanded their programming to include the Stock Market Game™, an interactive in-school game for students in grades 4-12 that teaches them about the Stock Market and Securities Industry. If you would like to learn more about the award-winning PFEW program and how you can help, please contact Scott Lee, vice president of marketing & development for the Foundation for Free Enterprise Education at (814) 833-9576 ext. 8, or e-mail him at scott@pfew.org.

Instructions on accepting **Local Loot**

*Business owners and managers, with the holiday season approaching, be sure your employees know how to accept Chamber **Local Loot** gift certificates.*

1. Check the expiration date before accepting any gift certificate. **Local Loot** checks are good for ONE YEAR from the date of issue listed on the check. Any expired checks accepted by a business will not be redeemed.
2. **Local Loot** should be deposited into your daily deposit, just like a regular check. You will receive 100 percent of the face value of the check.
3. We suggest that change NOT be given unless at least 80 percent of the value of the check will be used during the transaction. **Local Loot** gift certificates should not be redeemed for cash.

For additional information, contact the Somerset County Chamber of Commerce at (814) 445-6431 or info@somersetcountychamber.com.

Applicants must also be planning to attend one of these Chamber-member institutions:

Allegany College of Maryland
Grand Canyon University
Greater Johnstown Career & Technology Center
International College of Bible Theology
Mount Aloysius College
Penn State – Fayette
Pennsylvania Highlands Community College
Somerset County Technology Center
St. Francis University
University of Pittsburgh at Johnstown

For scholarship applications please call the chamber office at 814.445.6431 or visit www.somersetcountychamber.com to download. The deadline to register for the 2019 Somerset County Chamber of Commerce Scholarship is April 5th. Winners will be notified by April 30th.

Somerset County Farm Bureau

The economic impact of agriculture in Somerset County, the Commonwealth, the Nation and the World is enormous. Too often when we have an image of agriculture, it's a farmer on a tractor either plowing, planting or harvesting a crop. This is an important part of agriculture, however, the picture is much larger. This picture does not include dairy, beef, poultry, honey, maple syrup, produce, equine, sheep, goats, rabbits – and I am sure I have missed some.

Another aspect of agriculture includes: the extension offices, 4-H, FFA, Farmers Market, County Fair, feed dealers, fuel companies, young agricultural professionals, equipment dealers, bakers and many, many more. At your next meal take a minute to think about all that it took to have that food on your table. Simply said, "Thank a farmer three times a day."

If you belong to an organization and would like a speaker to present any aspect of agriculture, please contact me and thanks for your interest and support of agriculture.
