Save BIG \$\$\$ on Energy Through Chamber Program

By Ron Aldom,

Executive Director, Somerset County Chamber of Commerce

Ron Aldom

For over a decade, the Somerset County Chamber has maintained a great partnership with World Kinect Energy Services (initially OnDemand Energy Services) to provide energy savings programs to our members. Over that time, millions of dollars have been saved by local companies through this program. In addition, World Kinect offers consulting services and personal meetings to help find the best energy solution for your business. Their local footprint in the Pittsburgh region allows for a higher level of customer service and satisfaction.

World Kinect Energy Services are one of the largest energy procurement companies in the world, which gives them an amazing purchasing capability, so they can truly find an energy solution for all sizes of businesses. In addition, they can provide similar programs for natural gas and other fuels. They have also partnered with WGL Energy to provide residential savings programs too.

The bottom line is that you have nothing to lose by contacting World Kinect Energy Services, however you do have everything to gain in savings, which helps the bottom line.

For more information please visit one.wglenergy.com/cmp/kinect/ or www.world-kinect.com.

Member Spotlight Somerset Grace United Methodist Church

Business: Somerset Grace United Methodist Church

Pastor: Rev. Eric Raygor, assoc. pastor Brenda Shaffer

Address: 320 Felgar Road, Somerset

Phone: 814-443-2906 **Website:** somersetgrace.com

Hours of operation: Office hours are M-F 9 a.m.-12 p.m. Sunday Service is 10:30 a.m.

Year the business joined the Chamber:

What does the business do? We provide Sunday worship services, fellowship, and growth for all. Young people are an important part of the Church, with kids being a part of the "Grace Gang" and youth making up "Faith on Fire" youth group. We provide space for community groups such as Narcotics Anonymous and Girl Scouts. We raise significant funds for missions and outreach agencies both locally and worldwide through our popular Italian Night dinners and a food booth at Mountain Craft Days.

How did the business begin? Grace Church began over 100 years ago as a mission outpost of the Evangelical Association. Through the years, it has moved location three times, and through denominational mergers became a part of the United Methodist Church.

Why is being a Chamber member important? We think it is vital to be connected to the community and the Chamber fosters that connection.

Did you know? Grace Church has been located on Felgar Road since 1993, when the congregation moved from Church St, at the location of the present Wheeler Building. Grace Church has had remarkable consistency in its pastoral leadership, having been served by Rev. Charles Olson from 1985-2005 and Rev. Eric Raygor from 2005-present.

Anything Extra? Our children's ministry, directed by Melissa Salyers, is a strength. At the same time, we value our elders, and everyone in between. Grace church is the location for the SAM VAN, a project of the Somerset Area Ministries that provides free transportation to out of town medical appointments. They are available at 814-443-6354.
