## "Success In Somerset"

By Ron Aldom,  
Executive  
Director,  
Somerset County  
Chamber of  
Commerce

**Ron Aldom**

It is imperative that we educate our students on the careers in Somerset County, to fill the growing number of family sustaining careers in this county. The chamber has long been working with an array of partners to highlight the careers in this county, along with the training and education requirements to have a successful career in whatever area of employment fits their interests. Our programs highlight all the high demand occupations, including but not limited to: Manufacturing, Healthcare, Hospitality/Tourism, Distribution, Trucking, Finance, Agriculture and more. We do this through a series of real-world experiences that include:

- Industry Tours
- Panel Presentations
- Career Expos
- Job Shadowing
- Internships
- Seasonal Job Opportunities
- Education & Training Fairs
- And more...

The success of our program is evident in that we have wonderful support from our education partners and businesses and a team approach on all our career events. Somerset County is blessed to have such a wonderful workforce education system and truly highlights the compassion and leadership in this county. The Somerset County Chamber is proud to be a major partner in this endeavor and it is made possible by your support as members of the chamber.

## CHAMBER ANNUAL AWARDS

Each year, the Chamber recognizes individuals who have made an outstanding contribution to our community. We are currently accepting nominations for this year's awards in the following categories:

### Outstanding Person of the Year Award

Giving of oneself for the betterment of others has a profound effect on everyone and creates an atmosphere of giving and understanding, which are key to a growing community. Presented annually to a Somerset County resident(s) in recognition of outstanding accomplishments that had a profound positive affect on Somerset County. The recipient(s) may be recognized for volunteer efforts, although it may also recognize people who have gone above and beyond in their profession and whose tireless efforts truly made a difference. In all cases, this award highlights the leadership and tireless efforts of the award winner.

### The Betty Haupt Memorial Tourism Award

Awarded in memory of Betty Haupt, former director of the Somerset Historical Center, and a former member of the Chamber's Tourism Committee. It is given to a county resident, organization or business that has made a significant effort to further hospitality/tourism in Somerset County. This also includes efforts in attracting and welcoming new residents to our county and showcasing this county as a wonderful

location to live, work, play and have a business.

### Harold W. Wheeler, Jr. Memorial Humanitarian Award

The backbone of every county is those who give unselfishly of themselves to improve the lives of others. Presented annually to an individual, business or organization to honor their humanitarian efforts in helping someone in need and how they went "above and beyond" in their efforts. It can be awarded for efforts locally, nationally, or internationally.

The award is named in honor of Harold W. Wheeler, Jr. who was a local business owner, benefactor, and humanitarian, who left behind a legacy of philanthropy and goodwill in Somerset County and the region.

### Somerset County Agriculture Award

Presented annually to a grower, farmer, producer, or ag-related business who has played a significant role in branding and promoting Somerset County agricultural products in the region and beyond. Their efforts have helped highlight the value of "Buy Local, Buy Somerset County."

### Entrepreneur of the Year

Presented to a first-time entrepreneur(s) who has launched a consumer-focused business in Somerset County. The business can be making a physical product, operating a retail business, providing a

service or anything that constitutes a business, but must be focused on the consumer. Special consideration is given to businesses that created additional jobs, because of their business.

### Somerset County Young Gun Award

As our county progresses, it is essential that we retain and attract our youth to fill leadership roles in businesses, organizations, and our communities. This award highlights an individual under the age of 40 who has made a significant impact on his or her profession or career while making an equal impact on the community and non-profit organizations around the county through his or her volunteer time and leadership skills.

### Workforce Education Star

Presented to an individual or an organization who has made a significant impact on connecting students to career opportunities while also making an impact on providing skilled workers to local businesses. The award is open to educators and business representatives, and winners are chosen by the Chamber's Success in Somerset County Committee.

Nomination forms are available on the Chamber's website or at the Chamber office. All nominations must be received by December 8th.
